Senior Exhibition Reflection Prompt & Outline

In a narrative of at least two typed pages, reflect on the past semester(s). This will be grist for your mill when you review your time in Middle College in your Senior Exhibition. Consider your entire experience, including how it fits into the big picture of your future! Be clear, thoughtful, insightful!

1. **College courses:**
   - Number of credits; registered vs. completed
   - Estimated grades at this point
   - What did you like best/least about these courses?
   - What did you learn about yourself as a college student?

2. **High School courses:**
   - How were they like/unlike your previous high school?
   - What did you like/dislike?
   - What is your GPA?

3. **Internship:**
   - Company name/location
   - Your job title & duties
   - Approximate number of hours so far
   - How does it relate to your career pathway
   - Transferable skills: on time, thorough, deal with public, organize information
   - Job-Specific skills: computer, cash register, software, procedures, vocabulary, networking
   - What did you learn about a possible career in this field?
   - What did you learn about the world of work in general?
   - What did you learn about yourself (flexibility, ability to learn, deal with difficult or boring tasks, difficult or boring people

4. **Overall personal growth:**
   - How do you feel about your experience?
   - What did you learn about yourself in general?
   - What did you like? What did you dislike?
   - What would you do differently?
   - How will this impact your future?

5. **Future:**
   - Where are you planning to continue your education after high school? (college(s) applied to: college name; accepted by: college name, major & minor)
   - What are your specific career plans? (general career area, specific job title(s).

6. **<u>Reminders:</u>**
